TAOFEEK AJIBIKE

CMgr FCMI | MBA (Strategic Leadership, Distinction) | Executive & Leadership Practitioner

EXECUTIVE PROFILE

Taofeek Ajibike is a Chartered Manager, international education strategist and entrepreneur whose leadership experience encompasses organisational strategy, stakeholder engagement, institutional partnership development, enterprise building and operational improvement. His career spans early student and community leadership in Lagos State, UK-based executive management, international education and diaspora coordination. He combines postgraduate management education with practical experience developing organisations, relationships and digital systems.

SELECTED EVIDENCE OF LEADERSHIP

Organisational management | Since 2018 — Established and led White-eagles Educational Services Ltd, overseeing strategy, team coordination, student-facing services and international operations.

Service delivery | Estimated 700+ students — Directed an education advisory enterprise that has supported more than 700 students, based on a management estimate pending historical verification.

International relationships | Multiple markets — Developed working relationships with universities and education organisations in the UK, United States, Canada and continental Europe; arrangements include direct and intermediary channels.

Digital operational improvement — Led the development of a CRM and Student Hub supporting enquiry handling, student records, case coordination and service workflows.

Enterprise development & communication — Founded The White-Eagles Post Ltd in October 2026 and hosts and produces WES Talks, extending his practical experience into digital publishing and public communication.

CURRENT EXECUTIVE AND ORGANISATIONAL RESPONSIBILITIES

Founder & Managing Director — White-eagles Educational Services Ltd

2018–present; executive direction, institutional engagement, organisational operations and student support systems.

Executive Secretary — Global Diaspora Secretariat, The Bridge for Renewed Hope

2026–present; secretariat administration, programme coordination and international stakeholder engagement within a civic/political initiative, not a government office.

Founder — The White-Eagles Post Ltd

Incorporated October 2026; developing a UK digital publication covering education, enterprise, diaspora and public affairs.

Host & Producer — WES Talks

Interviews and conversations on education, professional development, personal journeys and enterprise.
